1. Policy. **Fort A. P. Hill operates a recreational hunting program in the areas used for training on the installation. This portion of the installation, north of U.S. Route 301, is referred to as the Training Areas (TA). This program is intended to assist the installation in wildlife management Hunting on Fort A. P. Hill is a privilege, not a right.**

a. All recreational activities at Fort A. P. Hill are authorized and controlled by the Garrison Commander in accordance with the appropriate Federal, State, and County laws and Department of the Army Regulations. Minimum restrictions on all recreational activities are established to ensure safety, security, protection of property, and efficient accomplishment of Fort A. P. Hill missions. Federal and state governments have concurrent legal jurisdiction at Fort A. P. Hill.

b. New in 2006/2007. It is your responsibility to read and understand the Fort A. P. Hill hunting regulations in their entirety. ***New items are in bold italics.***

c. Qualifying as a Hunter. To be authorized as a Fort A. P. Hill hunter, individuals must first be granted access to the installation by presentation of valid photo identification (Drivers License, Military ID Card, etc.). Vehicle searches are possible and will be conducted randomly. Individuals must also possess the appropriate current safety certificate, county/state/ federal hunting license and Fort A. P. Hill hunting permit as defined under item 5 of this Circular.

d. This Circular describes procedures and restrictions on the use of firearms for recreational hunting only. APH Regulation 190-5 determines the proper protocol regarding the transport and storage of firearms. Unless specifically authorized by the Installation Commander, the possession and/or use of firearms on the Installation are prohibited. This policy will be strictly enforced.

e. Hunting is permitted when it does not interfere with military training, Monday through Saturday, from a maximum of one-half hour before sunrise to one-half hour after sunset, depending upon the type of game being hunted. Scheduled training and range firing have priority over hunting at all times.

f. All areas are used for military training and dangers inherent to such training are present. It is possible to find unexploded ordnance (duds) anywhere. If a dud is found, mark the area, not the dud and report it immediately to the Game Check Station (GCS), 18616 A.P. Hill Drive, Fort A. P. Hill, VA 22427-3100, (Building P00390), (804) 633-8244. If the Game Check Station is closed, report it to the Directorate of Emergency Services/Provost Marshal Office (DES/PMO), 14115 Montague Road, Fort A. P. Hill, VA 22427-3115, (804) 633-8888.

g. Signing of the General Release Statement relieves the Government of responsibility, i.e., "Hunting at your own risk."

h. Collecting. With the exception of game species harvested permitted by this hunting circular under Item 7, collections of ANY kind of plant, animal, or artifact are prohibited. To request permission to collect write to: Wildlife Section, DPW ENRD, 19952 North Range Road, Fort A. P. Hill, Virginia 22427-3123.

2. Penalties. Each hunter is responsible for knowing and adhering to Federal, State, County and Fort A. P. Hill hunting laws/circulars/ regulations. Anyone violating a posted sign, bypassing a barricade, entering into a restricted area, or failing to comply with any hunting laws/circulars/regulations and/or any conduct hazardous to life and safety may be barred from the Installation, have their recreational privileges revoked, be fined, be confined, be issued applicable citations and/or any combination of the penalties listed, as allowed by law.
